

## 2023 Van Buren Athletic Booster Drive Form

The Van Buren Athletic Boosters are kicking off their annual booster drive for 2023-2024 school year. All proceeds from the booster drive are used to provide items needed that the school cannot provide for our student athletes in both middle school and high school. Some items we have funded are uniforms, new volleyball poles and nets, cheer mats, golf balls, push carts, new signage on the booster trailer, pitching machine, play clocks and annual scholarships for a boy and girl.
